Declaration of Remedial Action Completion and Issuance of Closure Report

The removal action at the Madison FUSRAP Site in Madison, Illinois has been completed in accordance with the Record of Decision (ROD) signed 26 May 2000 and in compliance with the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended and the National Oil and Hazardous Substances Pollution Contingency Plan. As a result of the remedial action, no Manhattan Engineer District (MED)/Atomic Energy Commission (AEC) radioactive material remains on site above the cleanup level established in the ROD and no further action to address MED/AEC contamination will be required on the site. The appropriate regulatory agency has received the final site closure report and concurred that the response action has attained the cleanup requirements specified in the ROD.
